PRELIMINARY STEPS

Before applying, ensure you meet the following requirements:

1. **Check your Admission Score with the Registrar Office:** You are eligible only if you are admitted during the first or second session (**March or May 2026**) with a minimum score of **80/100**.
2. **Complete Admission First:** You must complete the entire university admission process *before* applying for the scholarship. We strongly recommend submitting your application well in advance of the deadline.

STEP 1: Determine Your Student Status

You must identify whether you are a **Dependent** or **Independent** student.

- **A) Dependent Student:** You are supported financially by your parents/family.
 - **The Family Unit** includes: The applicant, financial guarantors (parents/guardians), and dependents (children/siblings), regardless of whether they live with you.
 - **Separated/Divorced Parents:** The family unit consists of the parent receiving alimony. If parents live apart but are not legally separated/divorced, both must be included.
 - **Siblings with Income/Property:** Their assets/income will be calculated at 50%.

- **Non-cohabiting Parents:** A parent who does not live with you but has recognized you is included unless they have legally lost parental authority or are officially declared "extraneous" by a court.
 - **B) Independent Student:** To qualify, **both** of the following must be true:
 1. You have lived outside your family home (in a property not owned by a family member) for at least **two years** prior to your application.
 2. You have earned an individual income from employment of at least **€9,000 per year** for the last **two calendar years, 2024 and 2025**.
 3. **The Family Unit** includes: The applicant, their spouse, and any children/dependents.
-

STEP 2: Gather Supporting Documentation (Reference Year: 2024)

You must provide documents related to each member of your "financial family" regarding the status as of **December 31, 2024**:

- **Family Composition:** Official certificate from your Municipality or a Public Notary.
- **Gross Annual Income (2024):** Certificates from the Ministry of Finance, Employers, Social Security, or Ministry of Labour. *Income must be declared in your local currency.*
- **Immovable Property (Real Estate):** Certificates from the Cadaster or Revenue Agency (including certificates of non-ownership if applicable).
- **Movable Assets:** Bank statements showing the 2024 balance, financial investments/shares, and the remaining mortgage balance as of December 31, 2024.

Note: Supporting documents are accepted in Italian, English, French, Spanish, or German. (If awarded a scholarship, official Italian translations will be required later—see Step 6).
